

## What airport will I be flying to?

Lisbon

## How to get to Santa Cruz?

### Group Transfer

Most guests choose to take a transfer. Once everyone bought their flights, we try to group them by hour of arrival/departure so you can share the costs of the transfer from/to the airport.

The usual cost varies between 10 - 20 eur/person one way.

Here are the prices for the transfers to/from Lisbon Airport:

1 - 3 persons 60€

4 - 8 Persons 80€

*Usually, we decide on transfers **1-2 days** before the start of the camp.*

### Public Transport

There is a steady bus connection between Lisbon and Praia de Santa Cruz. The trip from the airport - metro + bus + bus - takes about 2-2,5h and costs approx 10 eur/way.

1) From the airport, take a metro to Campo Grande station (yellow/green line) and come to the bus terminal there.

2) Catch a bus to Torres Vedras but buy a ticket directly to Povoia de Penafirme (the best option) or Praia de Santa Cruz. Keep this ticket all the way.

3) Once in Torres Vedras, catch a bus from line 3 to Santa Cruz. Some buses go to Povoia de Penafirme, others only until Santa Cruz. The former version is better but both work great.

4) Once in a bus, call or send a message to me to pick you up and bring to the camp

The last bus from Torres Vedras to Sta Cruz on Sunday leaves at 21:30.

The last bus from Lisbon to Torres Vedras leaves at 00:30. From Torres Vedras you can order a transfer, which will cost you 10 eur.

So in case you arrive late and don't want to pay a full transfer (60 eur), you can come to Torres Vedras by bus and then we pick you up from there.

### **What is the average age of participants?**

25-35 y.o. But we welcomed people from 18 to 60 already, so you tell us how old one should be to participate in a longboard camp ;)

### **What is the longboard level of participants?**

We have mostly first-timers and beginners as well as intermediate riders. The camp is the best place to start and progress.

### **Are flights included in the package?**

No.

### **What is the language of instruction?**

English. We also speak Portuguese, Russian and French.

### **Can I get my deposit refunded in the case of cancellation from my side?**

No, deposits are non-refundable. However, If we manage to sell your spot, we give you a voucher equal to 50% of your deposit amount. You can use it for any camp until the end of 2020. You can also give it to someone else.

### **Do I need to bring my longboard / Is equipment provided?**

You don't need to bring your longboard unless you want to. We provide high-quality equipment for the lessons and that you can use during all the camp for free.

### **How much money to take with me?**

Praia de Santa Cruz isn't in a touristic area, so you can have a coffee for 1 eur still and a light breakfast for 2,5-3 euro. Eating out would be around 15-20 eur per person.

On the first day, we will take you to a supermarket to do your groceries and you can cook your meals in the camp. Hence, you will be spending what you normally spend back home or even less, if you come from countries like Germany, US, Holland, France etc.

We'd also recommend you taking some extra money to buy longboard gear because in the camp you can enjoy exclusive discounts from ParisTruck, Skate Blood Orange and Bastl boards.

### **How to book my spot?**

Send us a request, pay the deposit and voila! Please, note that due to a high demand, we don't lock spots without deposits.
